45	1.7.73 – 30.6.78	70	1.7.48 – 30.6.53		

* = Senior age group

3 Eligibility

To be eligible the skater must be a member of a National Speed Skating Federation recognized by the ISU and must have a license of his/her federation.

4 Limitation of participants

The competition is restricted to 100 skaters for the four distance competitions. The single distance races are restricted to 40 skaters. You will be informed as soon as possible after your entry if you can take part in the competition.

5 Drawing, seeding and classification

Digitally by the Referee on Tuesday, 14st of March 2023 and published on the website www.schaatscircuit.nl and published on the "Sportity" APP. The drawing will be done in groups of 2 skaters, according to their best times of the current season, their best times of last season or their personal best times (and in that order).

On the first two distances, for drawing purposes, skaters will be seeded in one group (ladies en men separately) per competition (Allround (Big, Normal, Small) and Sprint), according to their best times of the current season, their best times of last season or their personal best times (and in that order).

Also for the Single Distance Races the seeding will be done per joined Age Groups (ladies en men separately).

Drawing at International Masters' Speed Skating Competitions will be done according to ISU Rule 244 for Drawing at International Competitions. Each of the 5 Year Age Groups is considered a separate competition in this respect.

For drawing of Masters' International Allround Competitions the ISU Rule 244 paragraph 5 apply, as well as ISU Rule 240 paragraph 2. And for drawing of this Masters' International Allround Competitions the five year age groups will be drawn (ladies en men separately) all together. Also the allotting of track on the third and final distance is decided by the ranking after two distances in the whole groups.

Drawing at Masters' International Sprint Competitions will be done according to ISU Rule 240 paragraph 4, with two exceptions:

- Drawing of the third and fourth distance will be done based on the overall ranking (independent of age group) on the first respectively the second distance;
- All competitors will be admitted to the last distance.

However final classification will be done separately in 5 years age groups independent of the number of participants in a 5 years age group.

A skater that completes all distances successfully and obtains the lowest total of points in his/her five-year age group wins the four-distance competition in her/his age group. And for the single distances: a skater that skates the fastest time in his/her five-year age group wins the single distance race in her/his age group.

6 Prices and results

There will be no prizes or a prize giving ceremony, but a certificate.

A complete protocol (containing also starting times, lap times and accumulated lap times) will be published on the website www.schaatscircuit.nl and published on the "Sportity" APP.

7 Anti doping measures

Anti-doping tests will be carried out in accordance with ISU Rule 139 and the valid ISU Anti-doping Code (ISU Communication No. 2366 or any further update of this Communication).
